## 1. Introduction

## 2. Policy Statement

All healthcare practitioners who are deemed non-compliant with CPD Program cycle requirements [see CPD Recording Policy (*MOPH/QCHP/AD/CPD/005*)] will be provided with a process by the QCHP-AD to review their participation in the CPD Program.

- 2.1.** The healthcare practitioner must request to participate in a process to review their participation in the CPD Program.
- 2.2.** The QCHP-AD will inform the healthcare practitioner of the process established to review non-compliance of a healthcare practitioner in the CPD Program.
- 2.3.** The healthcare professional will provide to the QCHP-AD any fees established to support the process to review their participation in the CPD Program – where applicable.

- 6.2.** The QCHP-AD will provide a mechanism for review.

  - 7.1.1.** QCHP-AD notifies the healthcare practitioner that they are non-compliant and closes the current CPD cycle.
- 7.2.** A healthcare practitioner may request to participate in a process to review the reasons why the CPD cycle or category specific requirements were not met.
  - 7.2.1.** The healthcare practitioner must submit a written request to the QCHP-AD to have their non-compliance with CPD cycle requirements reviewed.
  - 7.2.2.** The request for review must be received by the QCHP-AD within 30 days of the healthcare practitioner being notified they are non-compliant with CPD cycle requirements.
- 7.3.** QCHP-AD receives and evaluates the request for a review of non-compliance with CPD cycle or category specific requirements.
  - 7.3.1.** The QCHP-AD may request additional information from the healthcare practitioner.
  - 7.3.2.** The QCHP-AD will determine if participation in the process is granted and inform the healthcare practitioner accordingly.
- 7.4.** The QCHP-AD will form a review panel to review the evidence or rationale for non-compliance provided by the healthcare practitioner which may result in one of three outcomes:

- a) The healthcare practitioner is granted additional time to document completed learning activities in the CPD ePortfolio. The amount of additional time to complete this documentation will be at the discretion of the QCHP-AD review panel and will be communicated to the healthcare practitioner in writing. Non-compliance will be withdrawn if the additional activities added meet or exceed the category specific and cycle specific requirements.
  - If cycle requirements are not met at the end of the extension period, the CPD cycle remains non-compliant and the Registration Department will be notified.
- b) The healthcare practitioner is granted a new CPD cycle.
- c) The cycle remains closed and the Registration Department is notified of non-compliance.

7.4.3 The QCHP-AD will inform the healthcare practitioner of the outcome of the CPD cycle appeal process.

7.4.4 QCHP-AD will notify the Registration Department of the outcome of the CPD cycle appeal process.
