10. Shunt – device closure					

CATEGORY II: Additional Privileges:

1.					
2.					
3.					
4.					
5.					

Notes:

- If additional privilege(s) are desired, please indicate this in the space provided above.
- You must submit along with this application all necessary document(s) to support your request. If documentation is incomplete, your request will not be accepted.
- Granting privileges under supervision is no longer permitted

By signing below, I acknowledge that I have read, understand, and agree to abide by QCHP standards for privileging. I have requested only those privileges for which by education, training, current experience and demonstrated performance I am qualified to perform and wish to exercise, and I understand that:

a) In exercising any clinical privileges granted, I am constrained by QCHP's policies and rules applicable generally and any applicable to the particular situation.

b) Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the recognized policies and rules.
